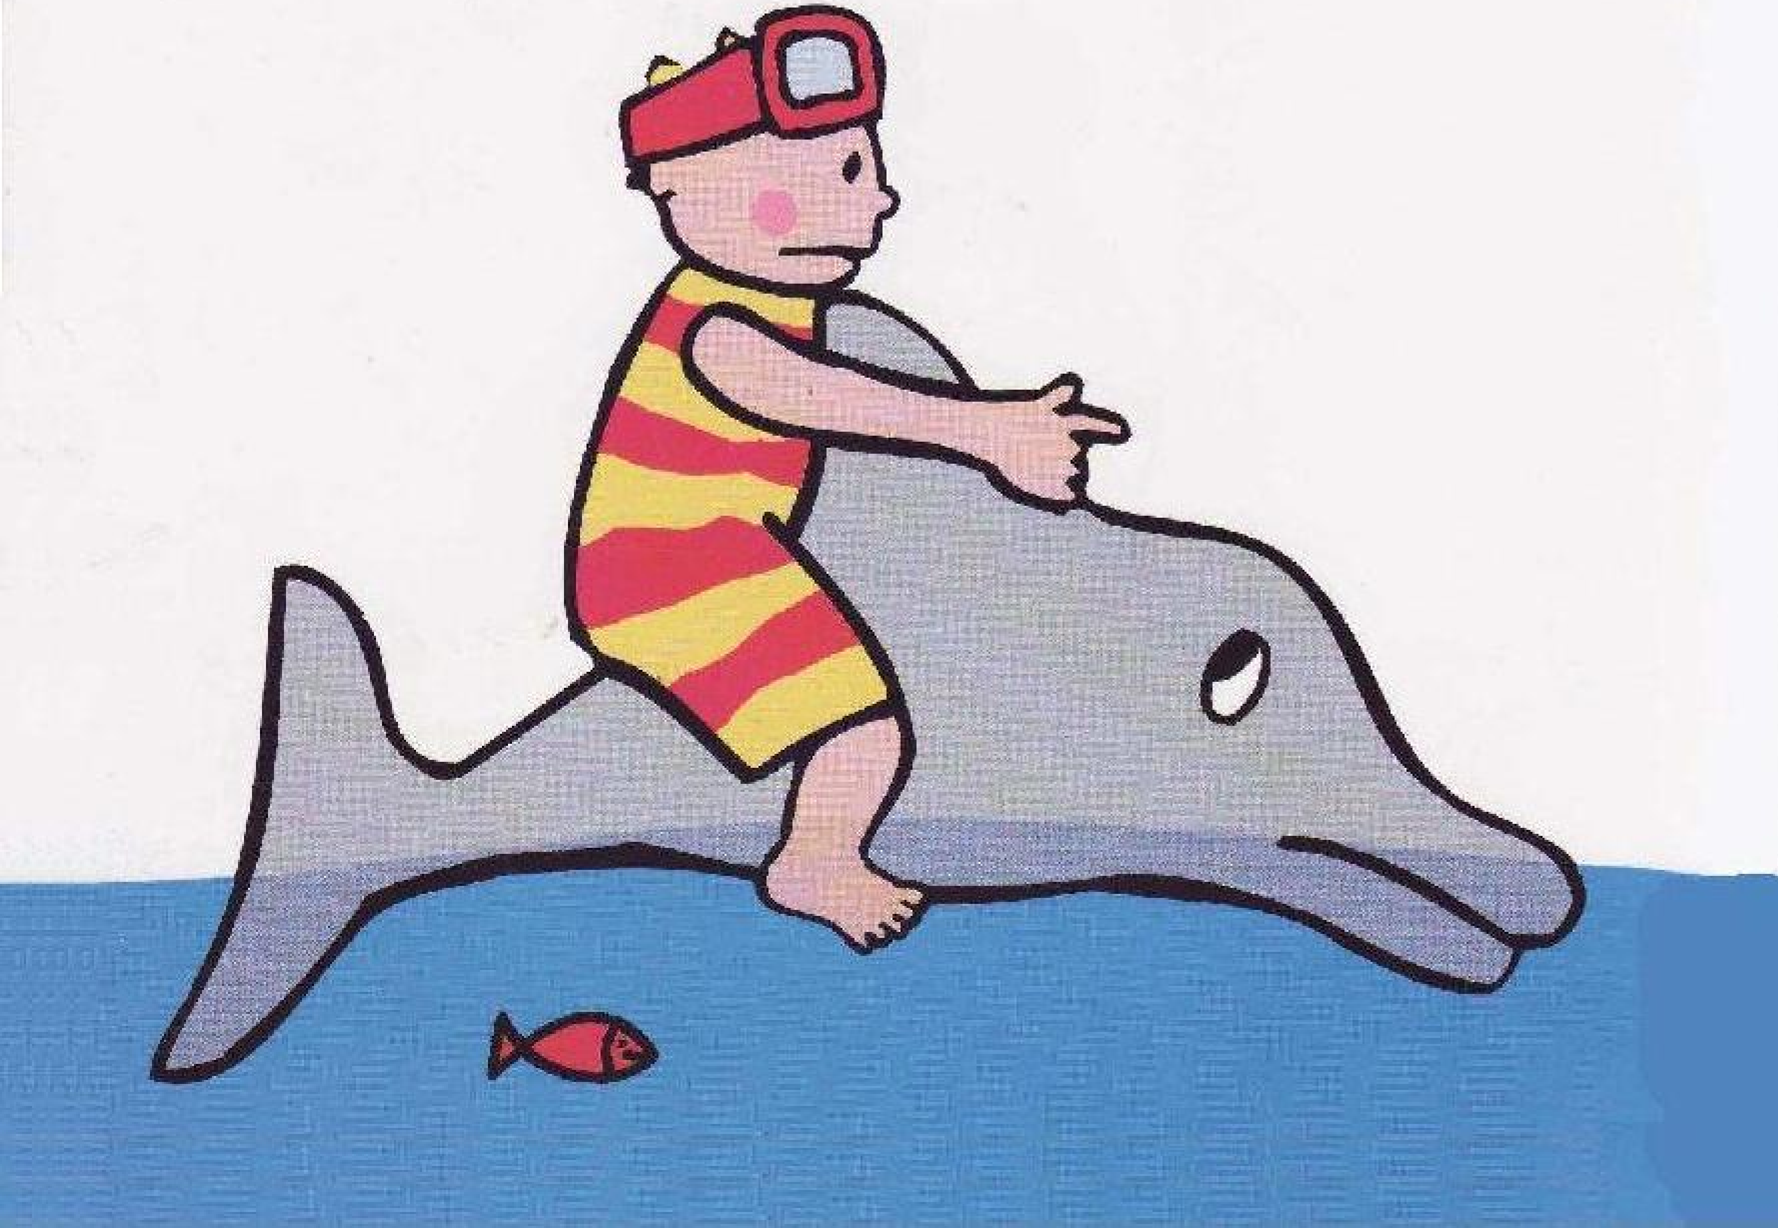
Emmène-moi petit dauphin

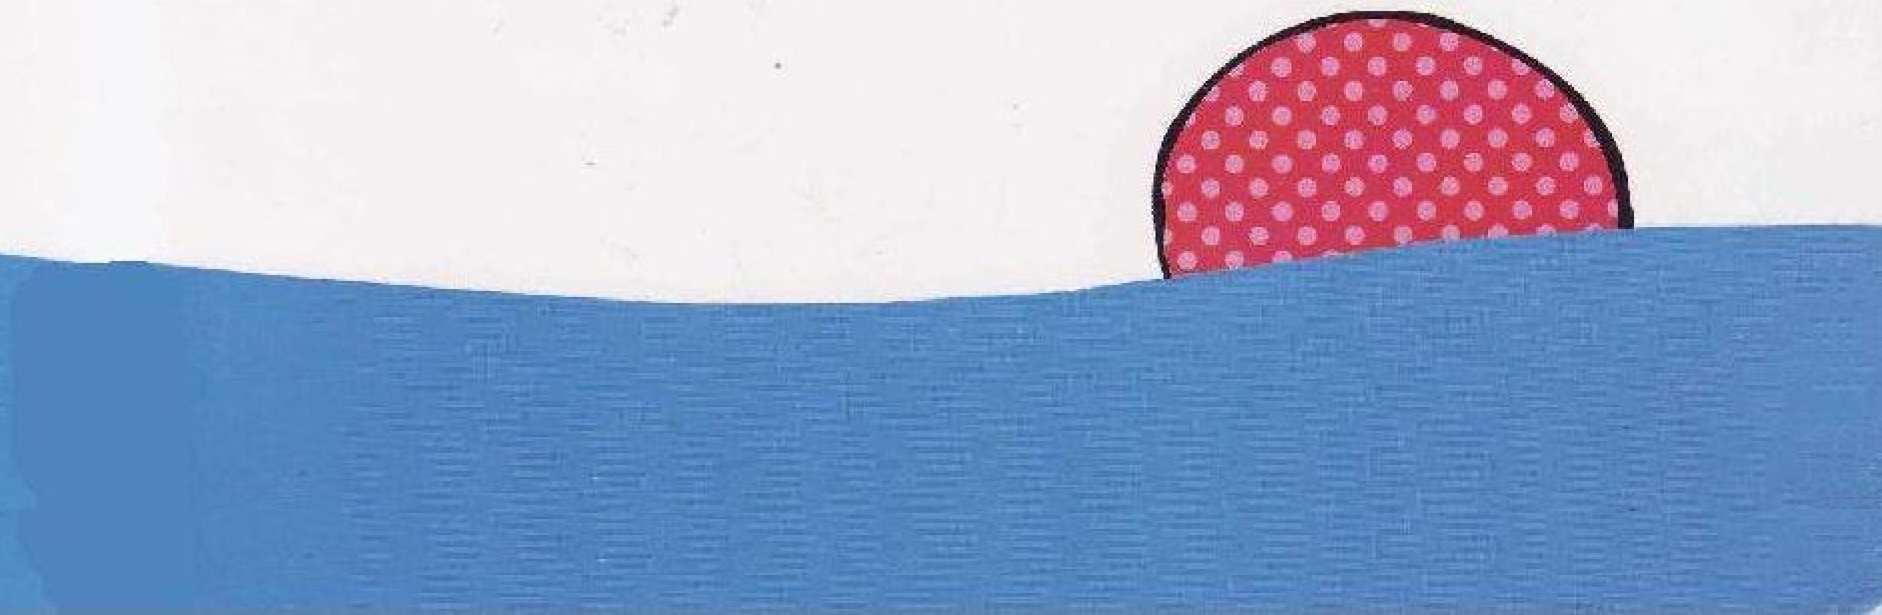
Virginia Crofts

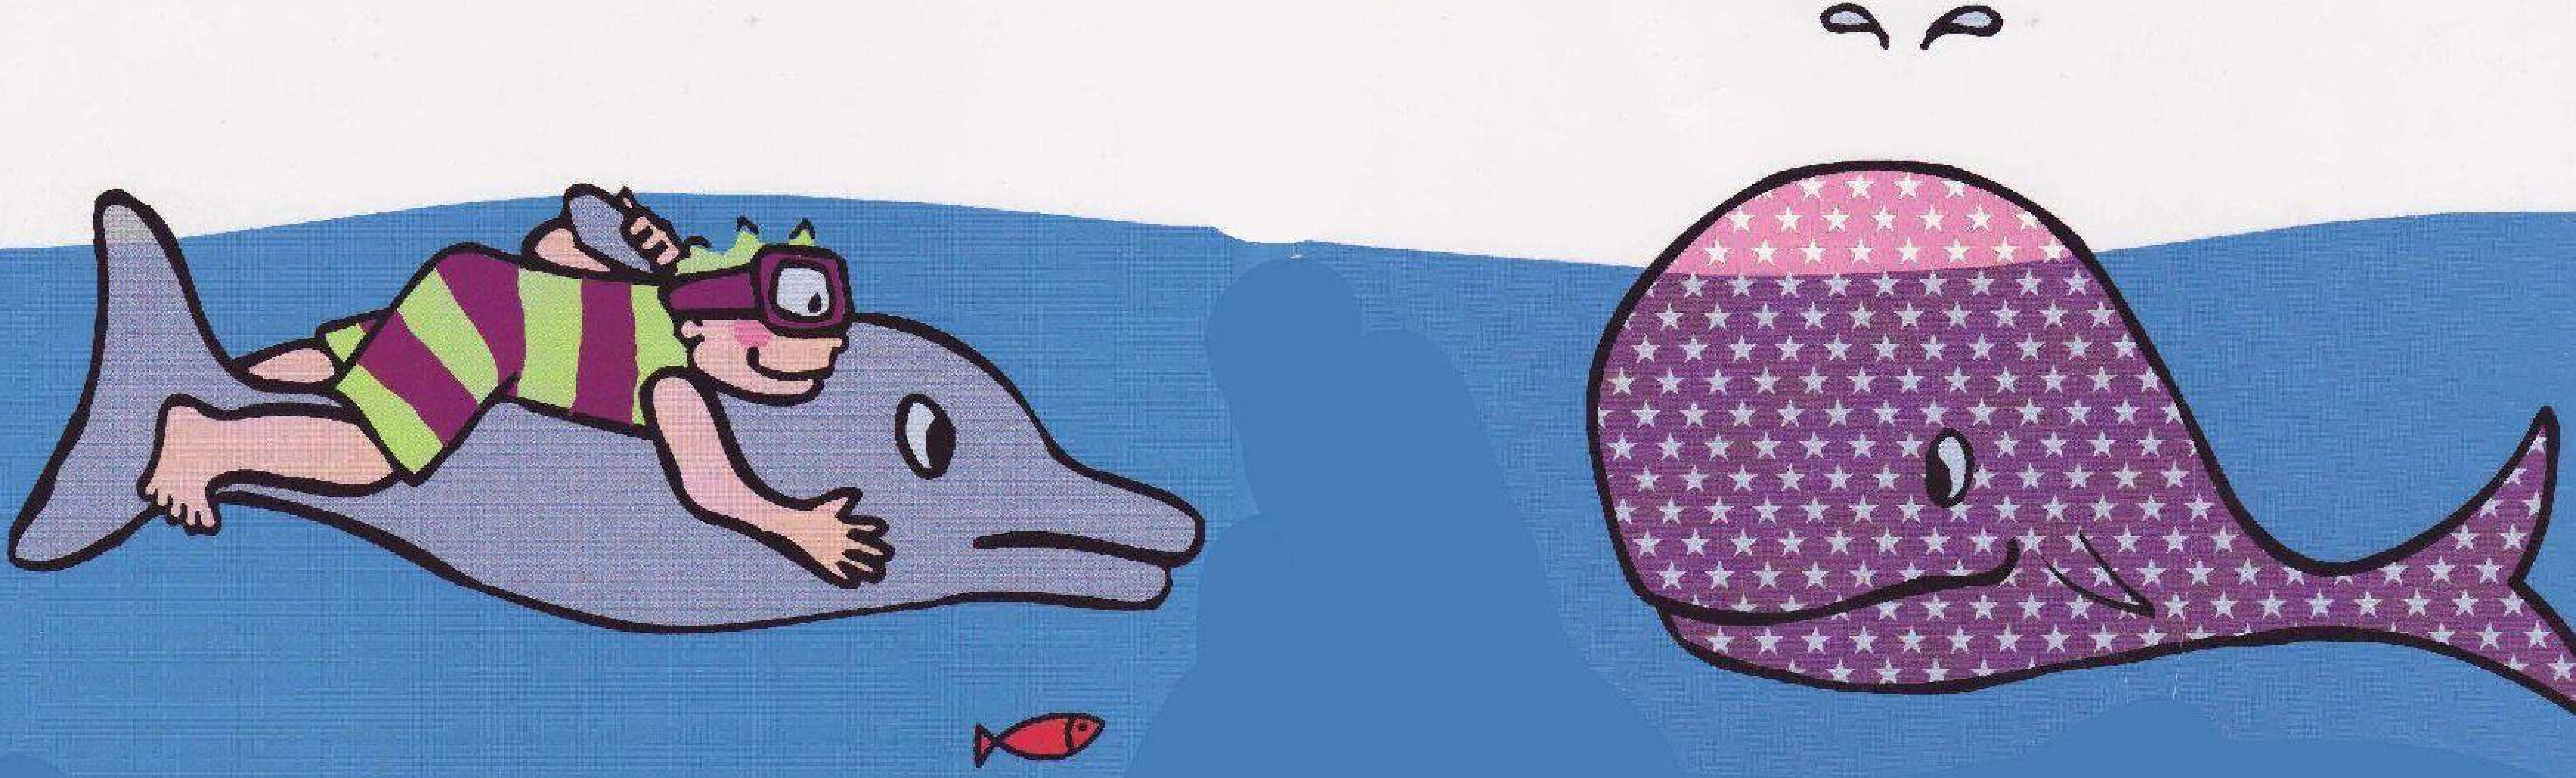
Emmène-moi petit dauphin

emmène-moi là-bas
petit dauphin



jusqu'au
rocher rouge

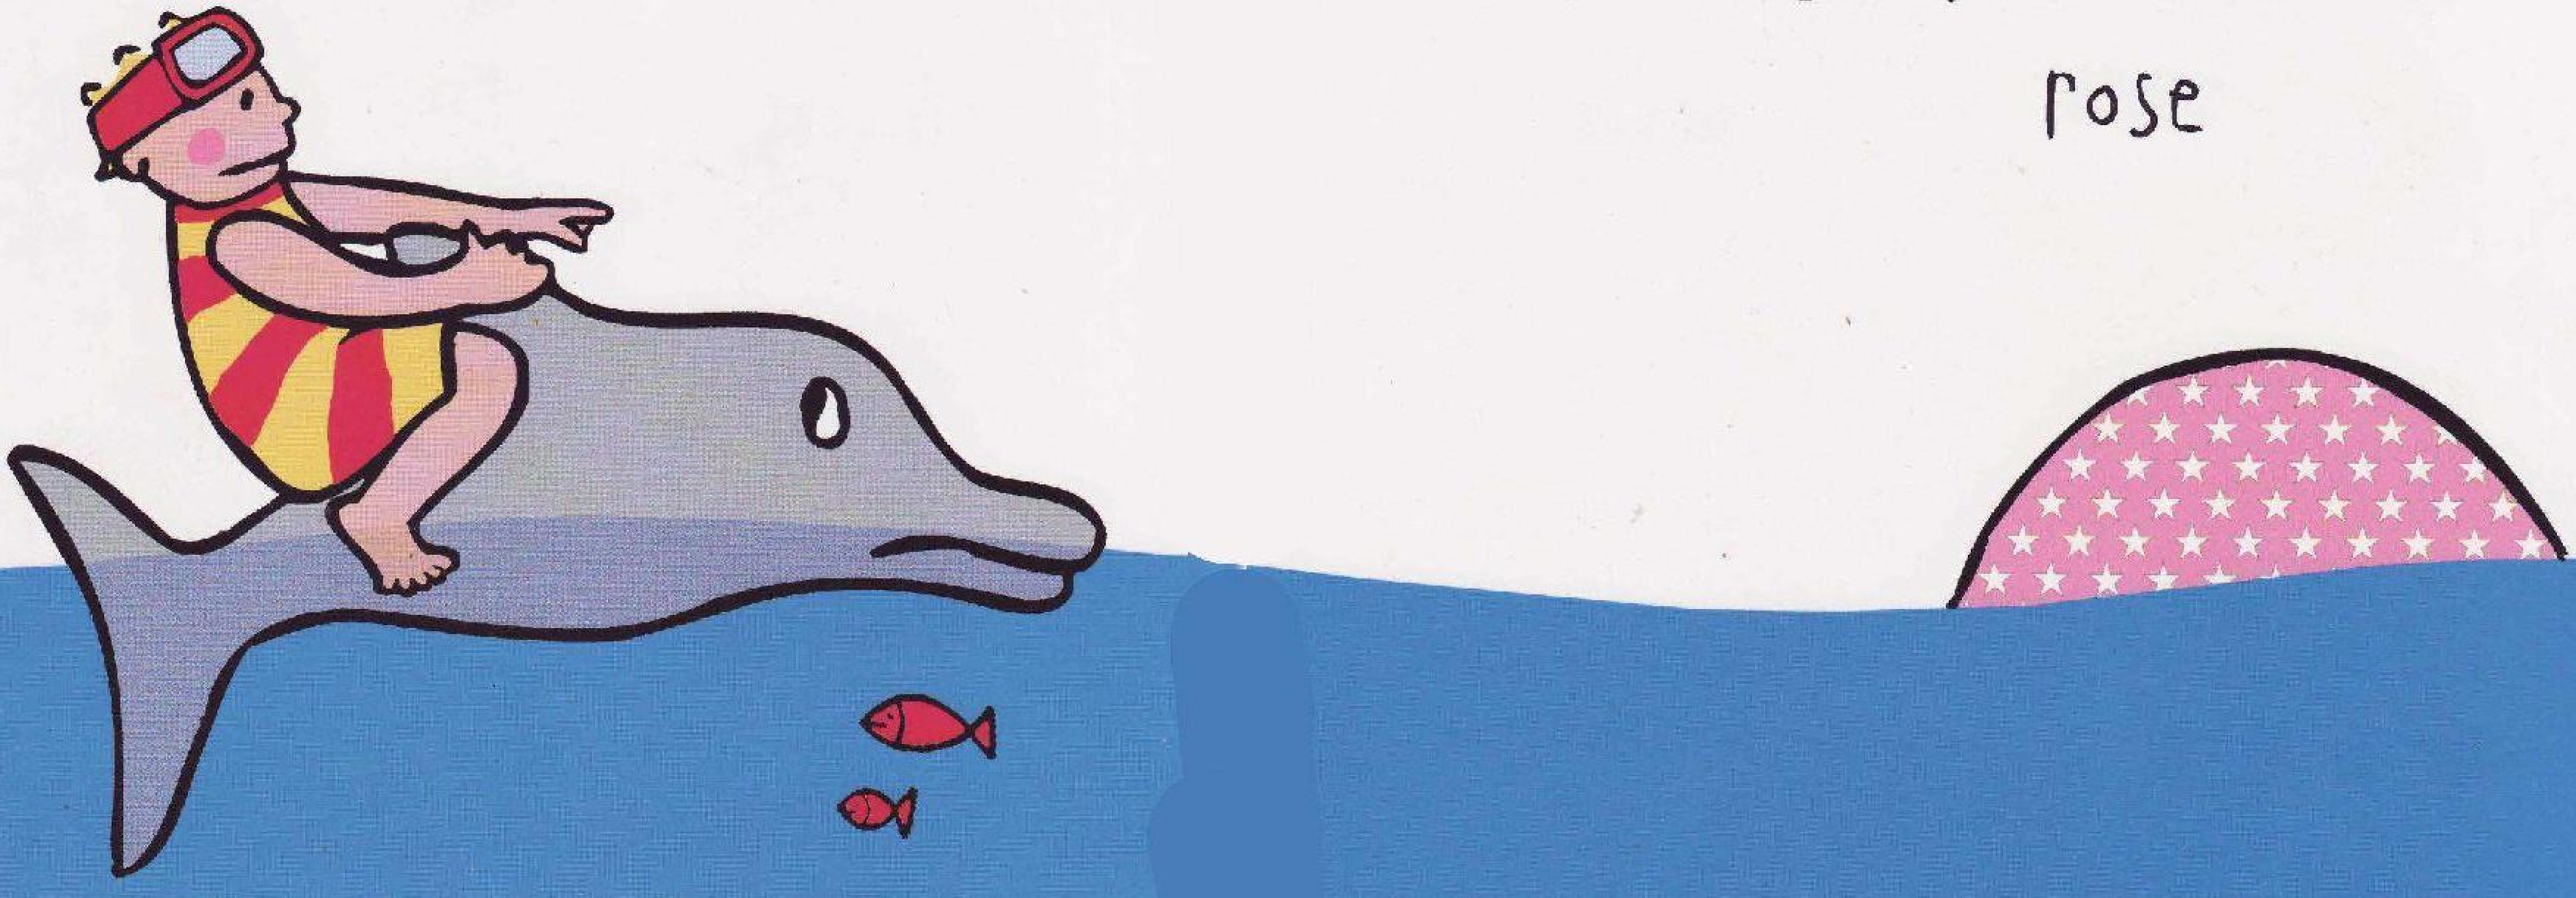


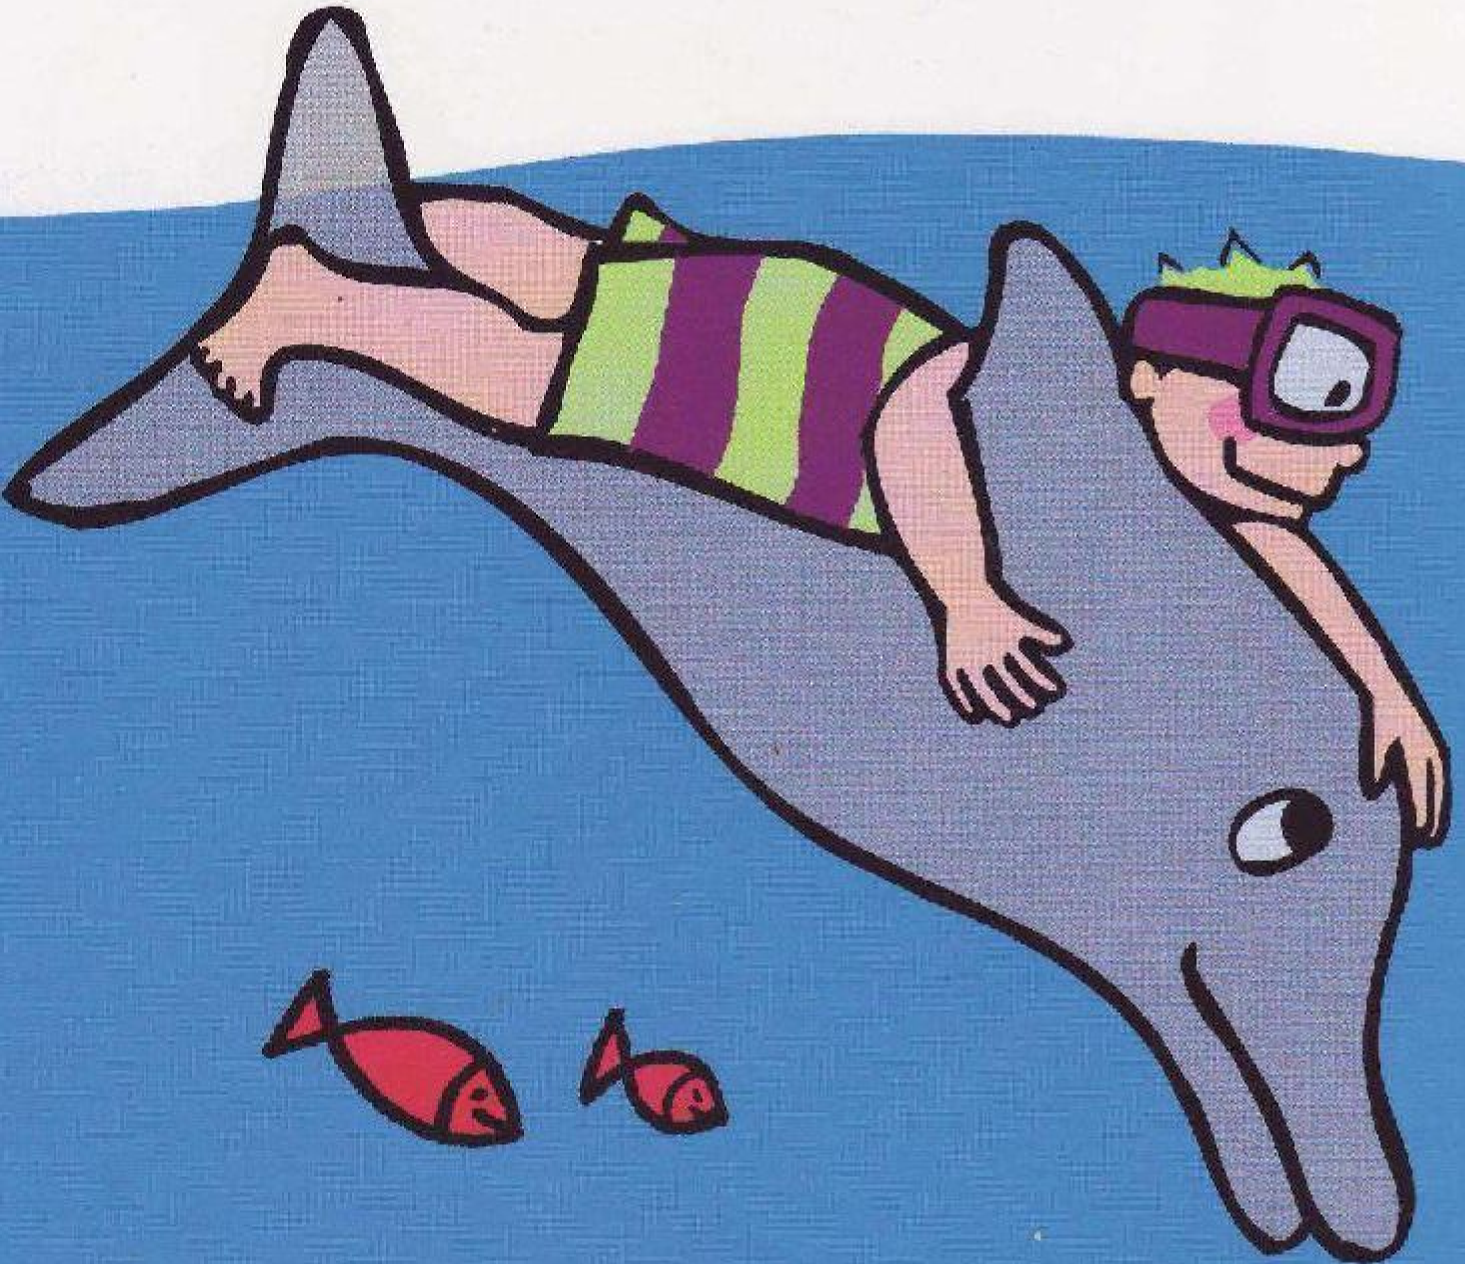


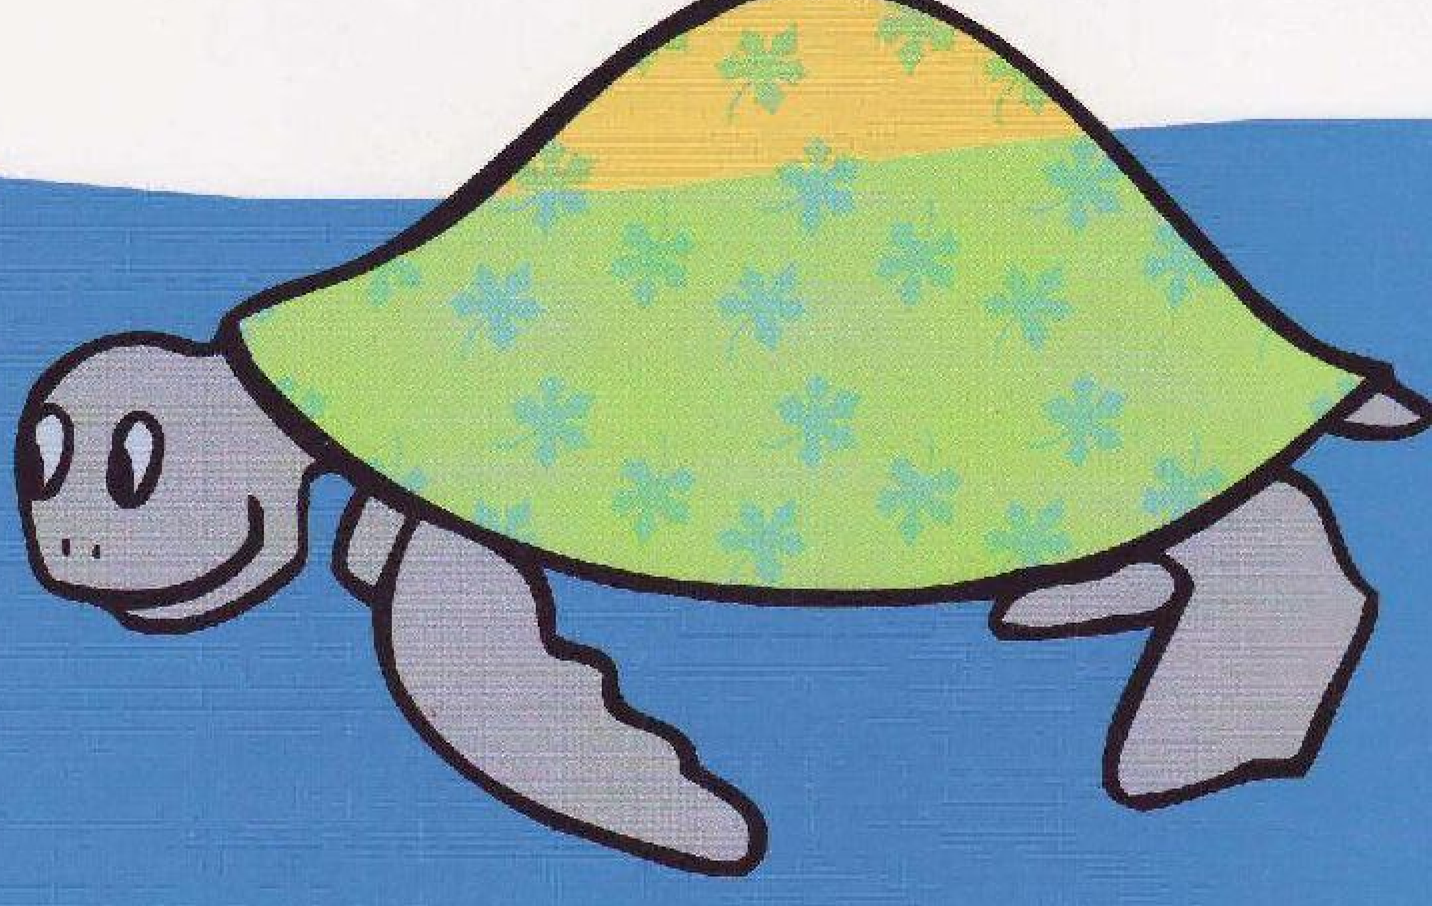
oh! c'est une
petite baleine
mauve

emmène-moi là-bas

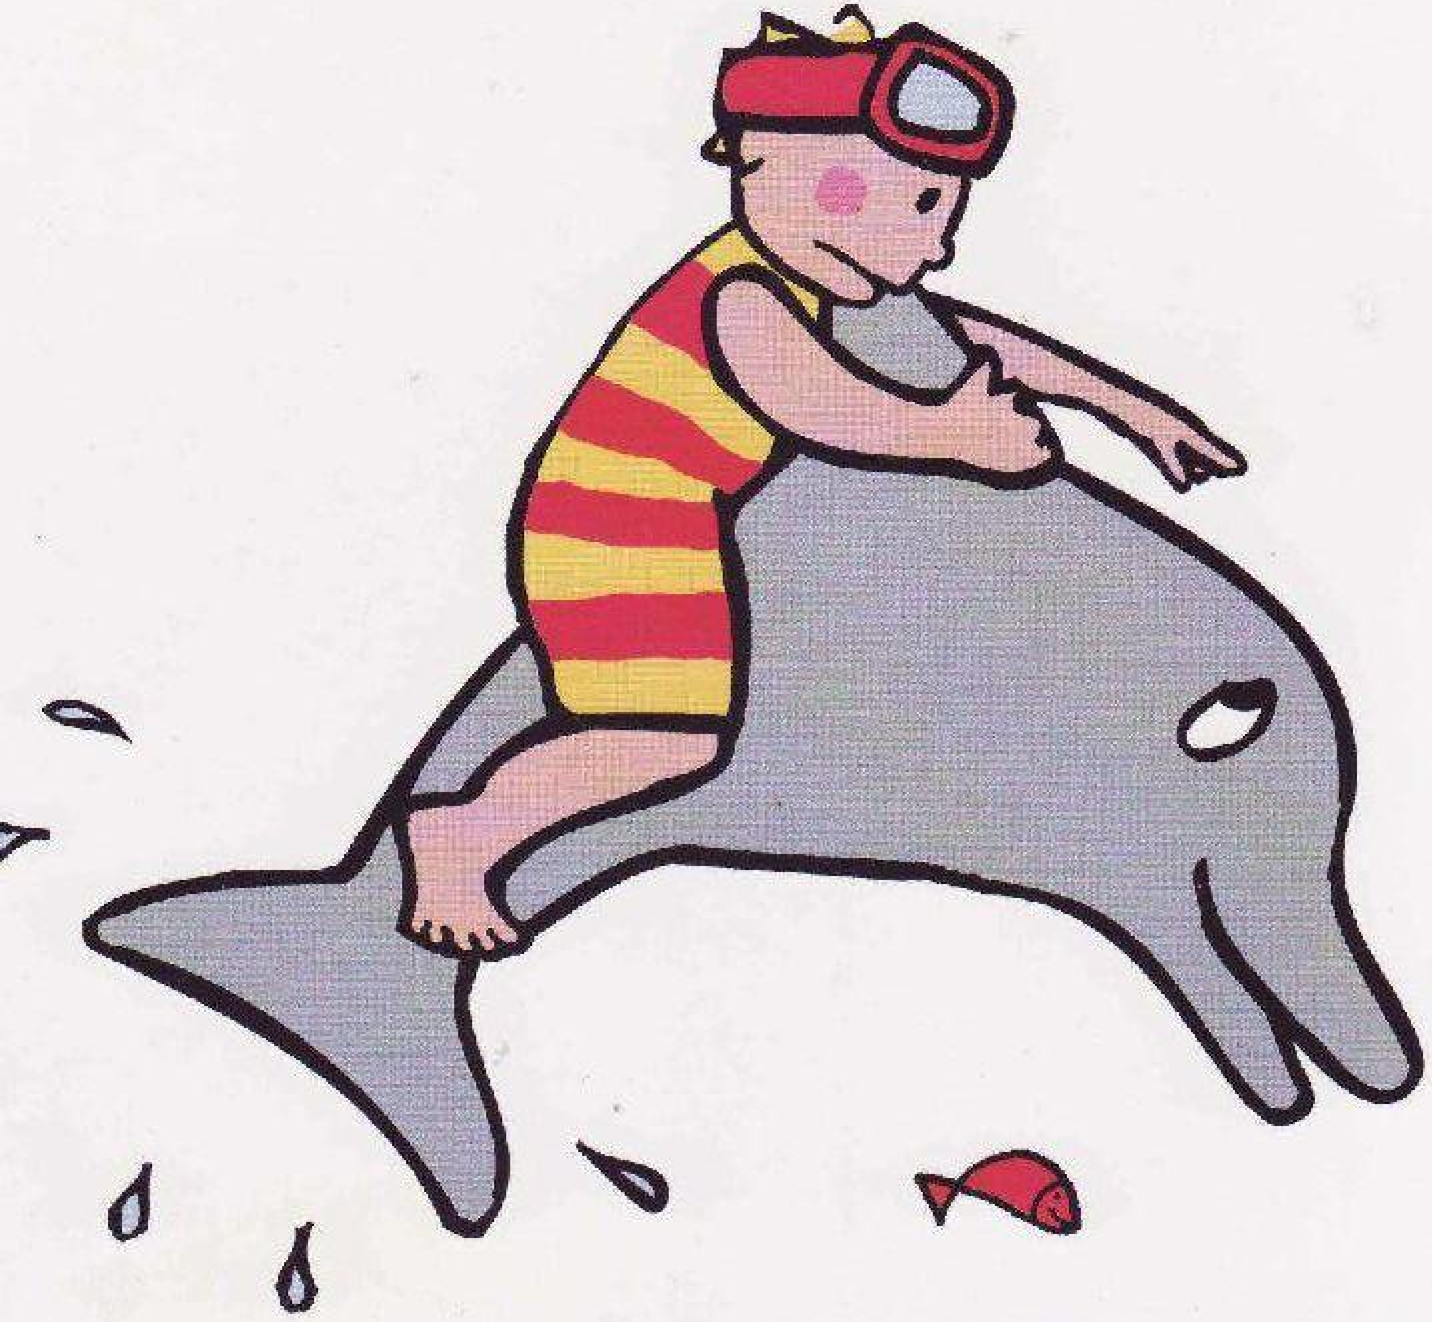
jusqu'au rocher
rose



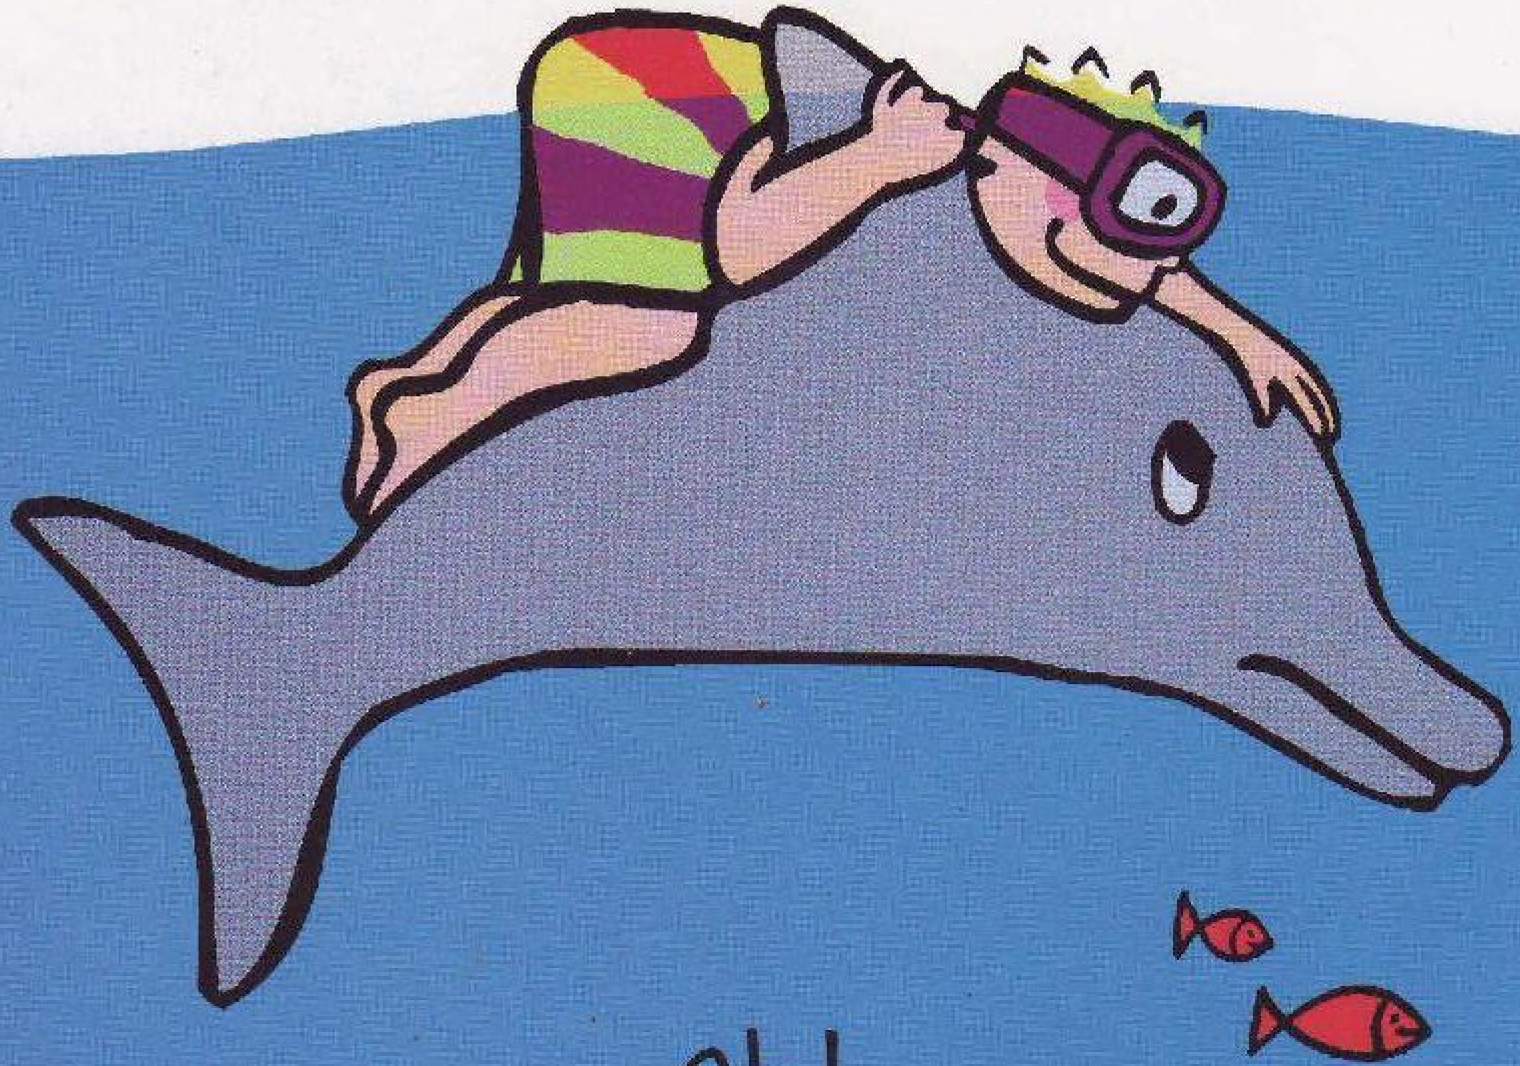




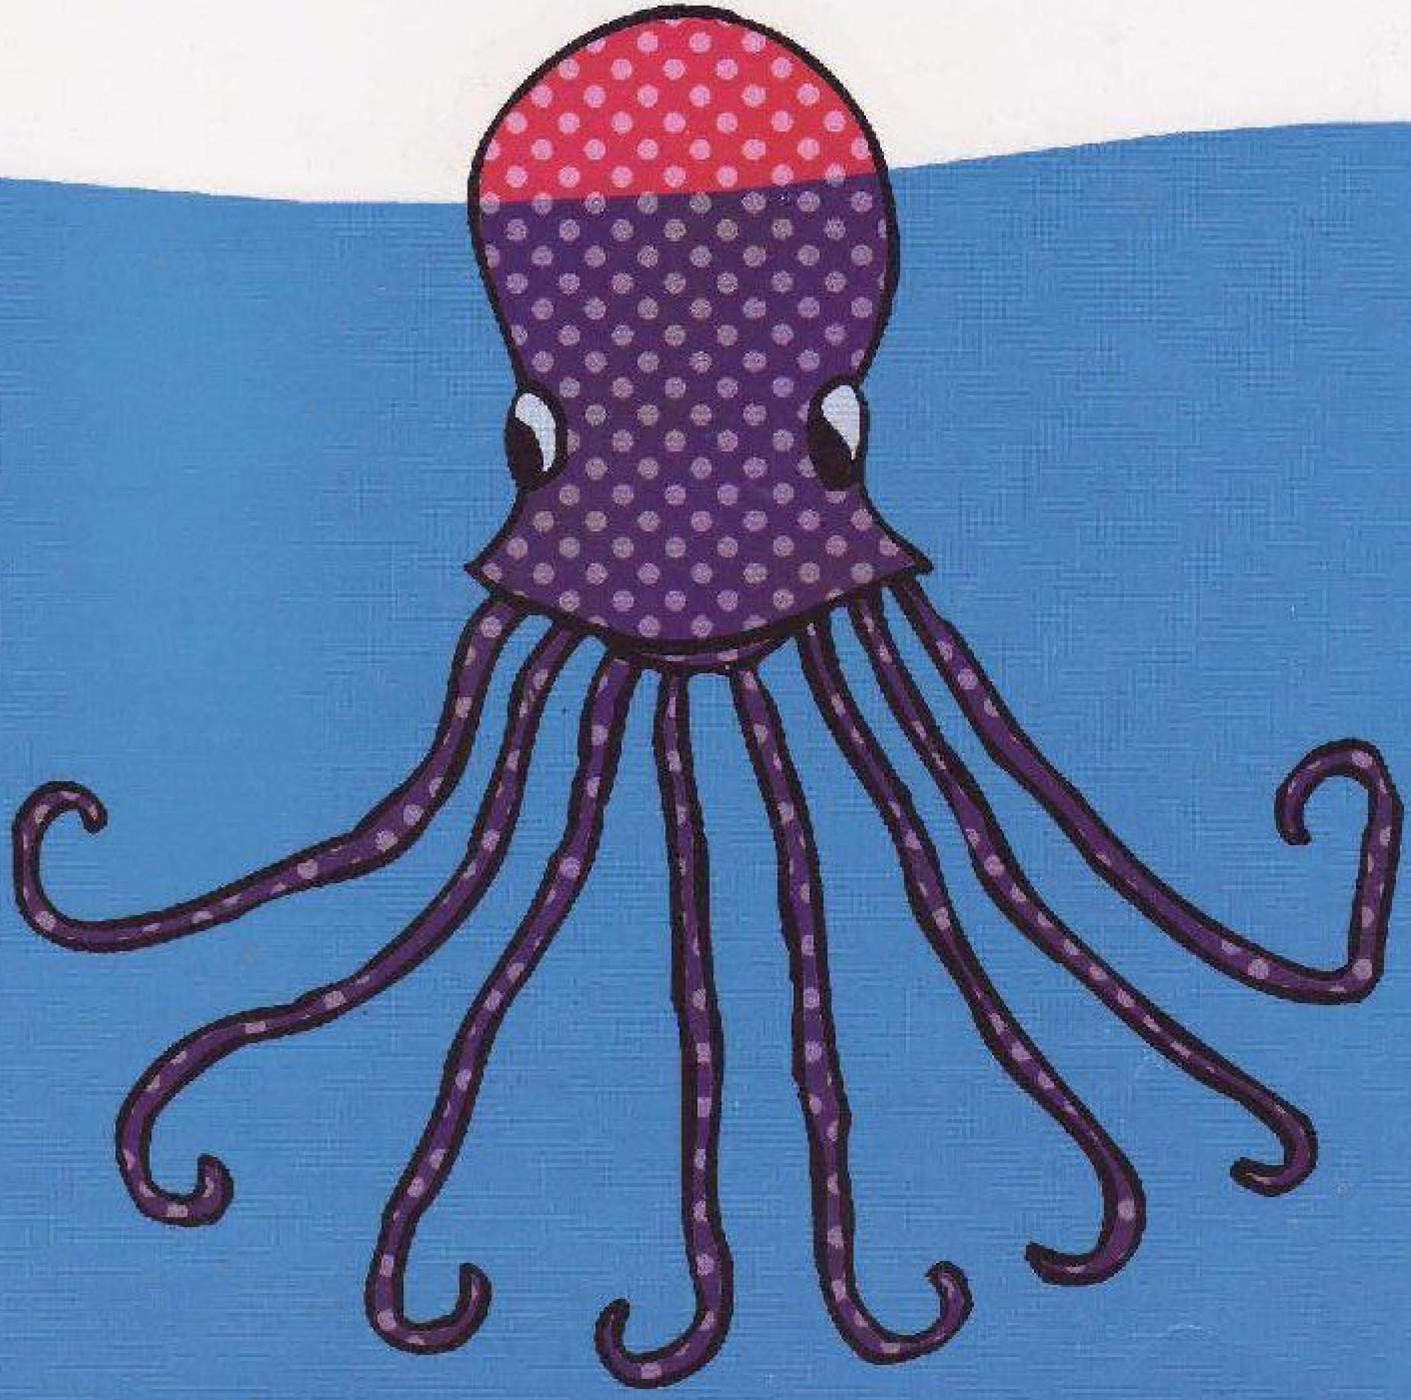
oh! c'est
une tortue verte



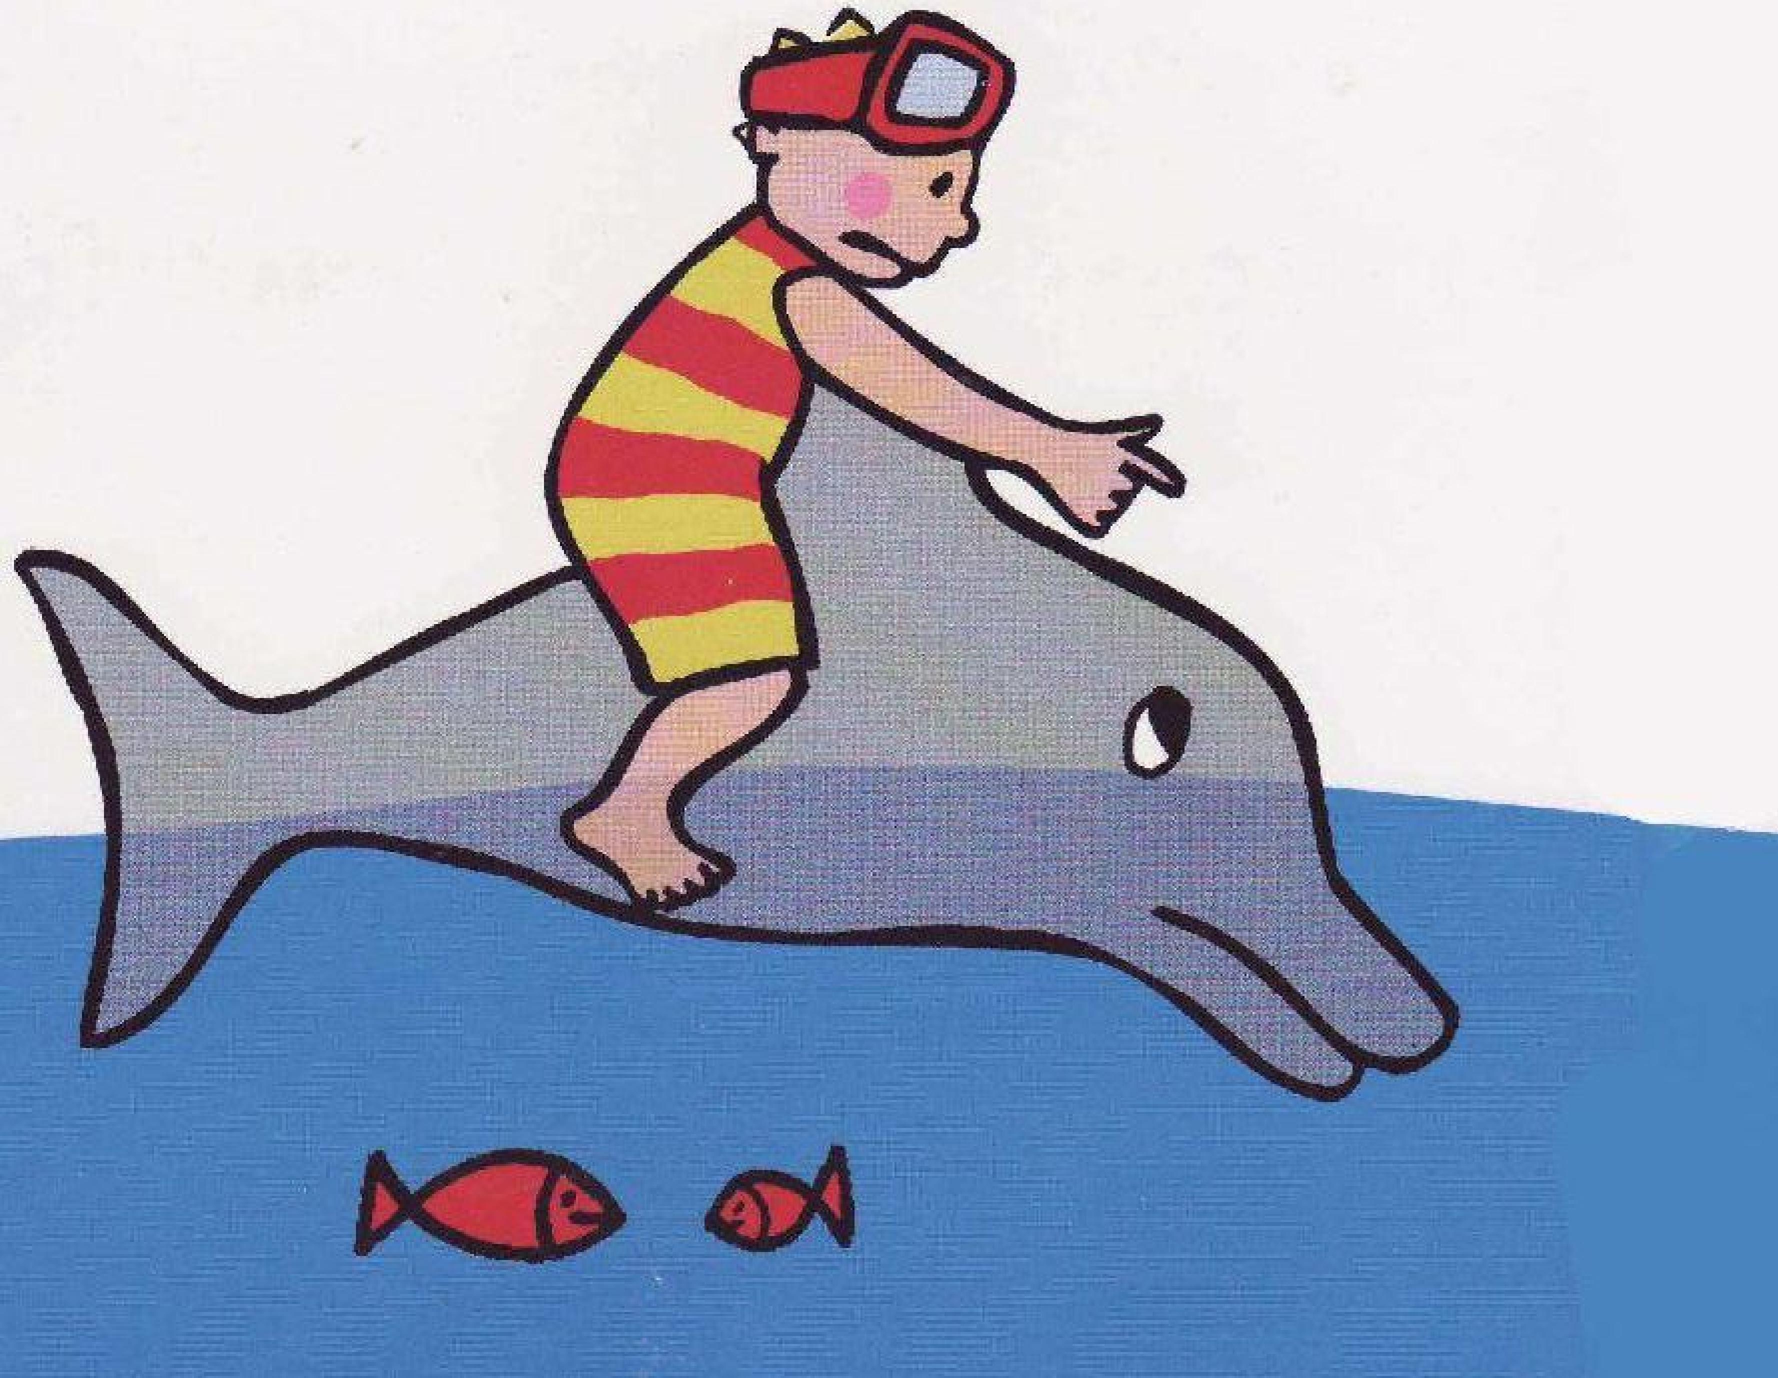
emmène-moi là-bas
maintenant
au rocher jaune



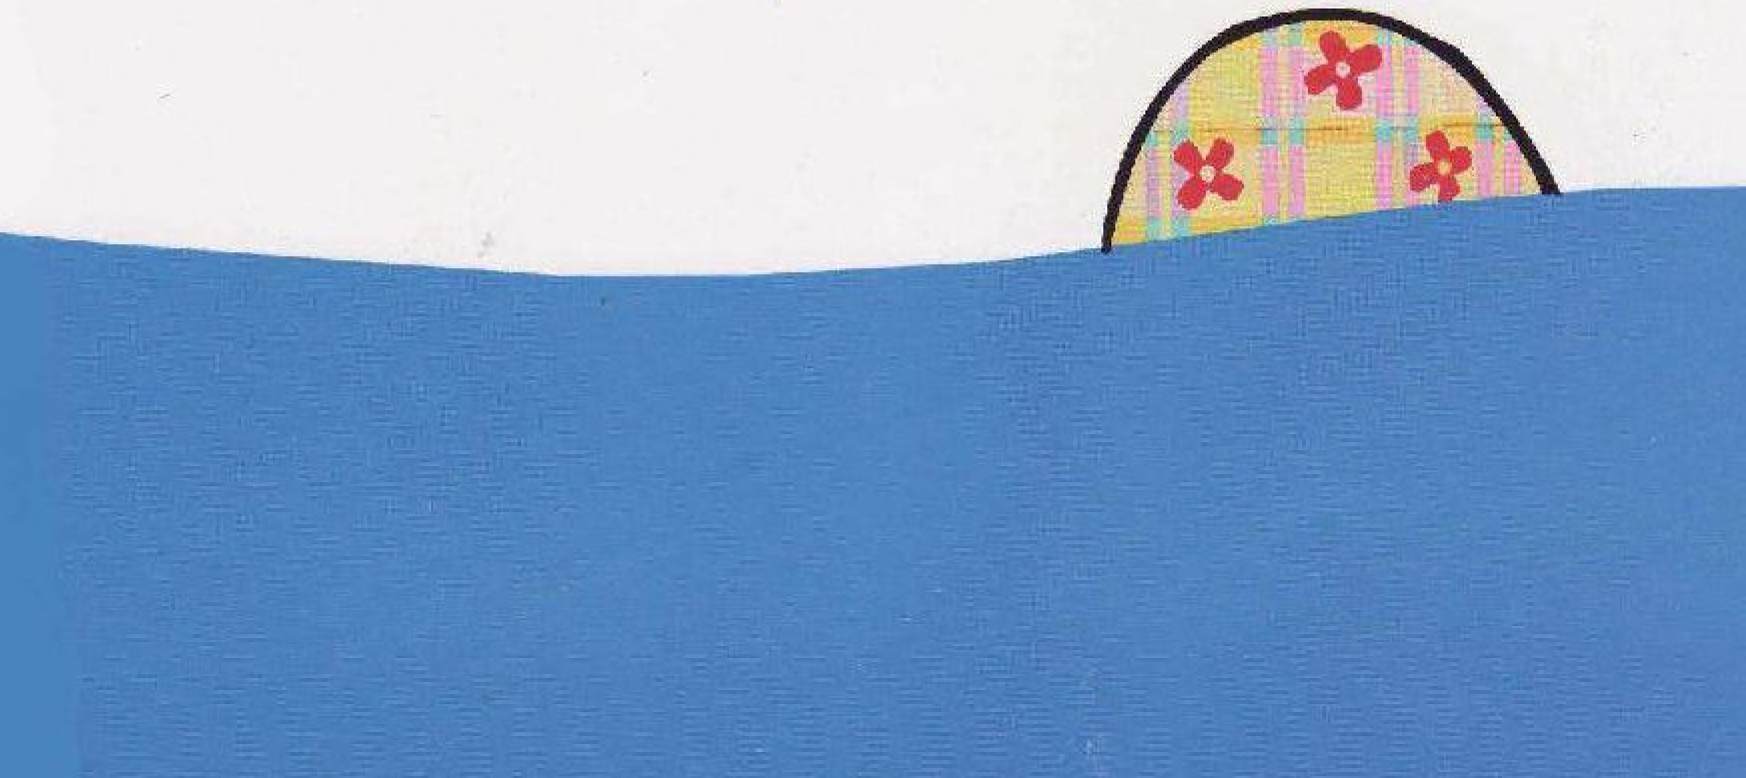
oh!
c'est une pieuvre
violette

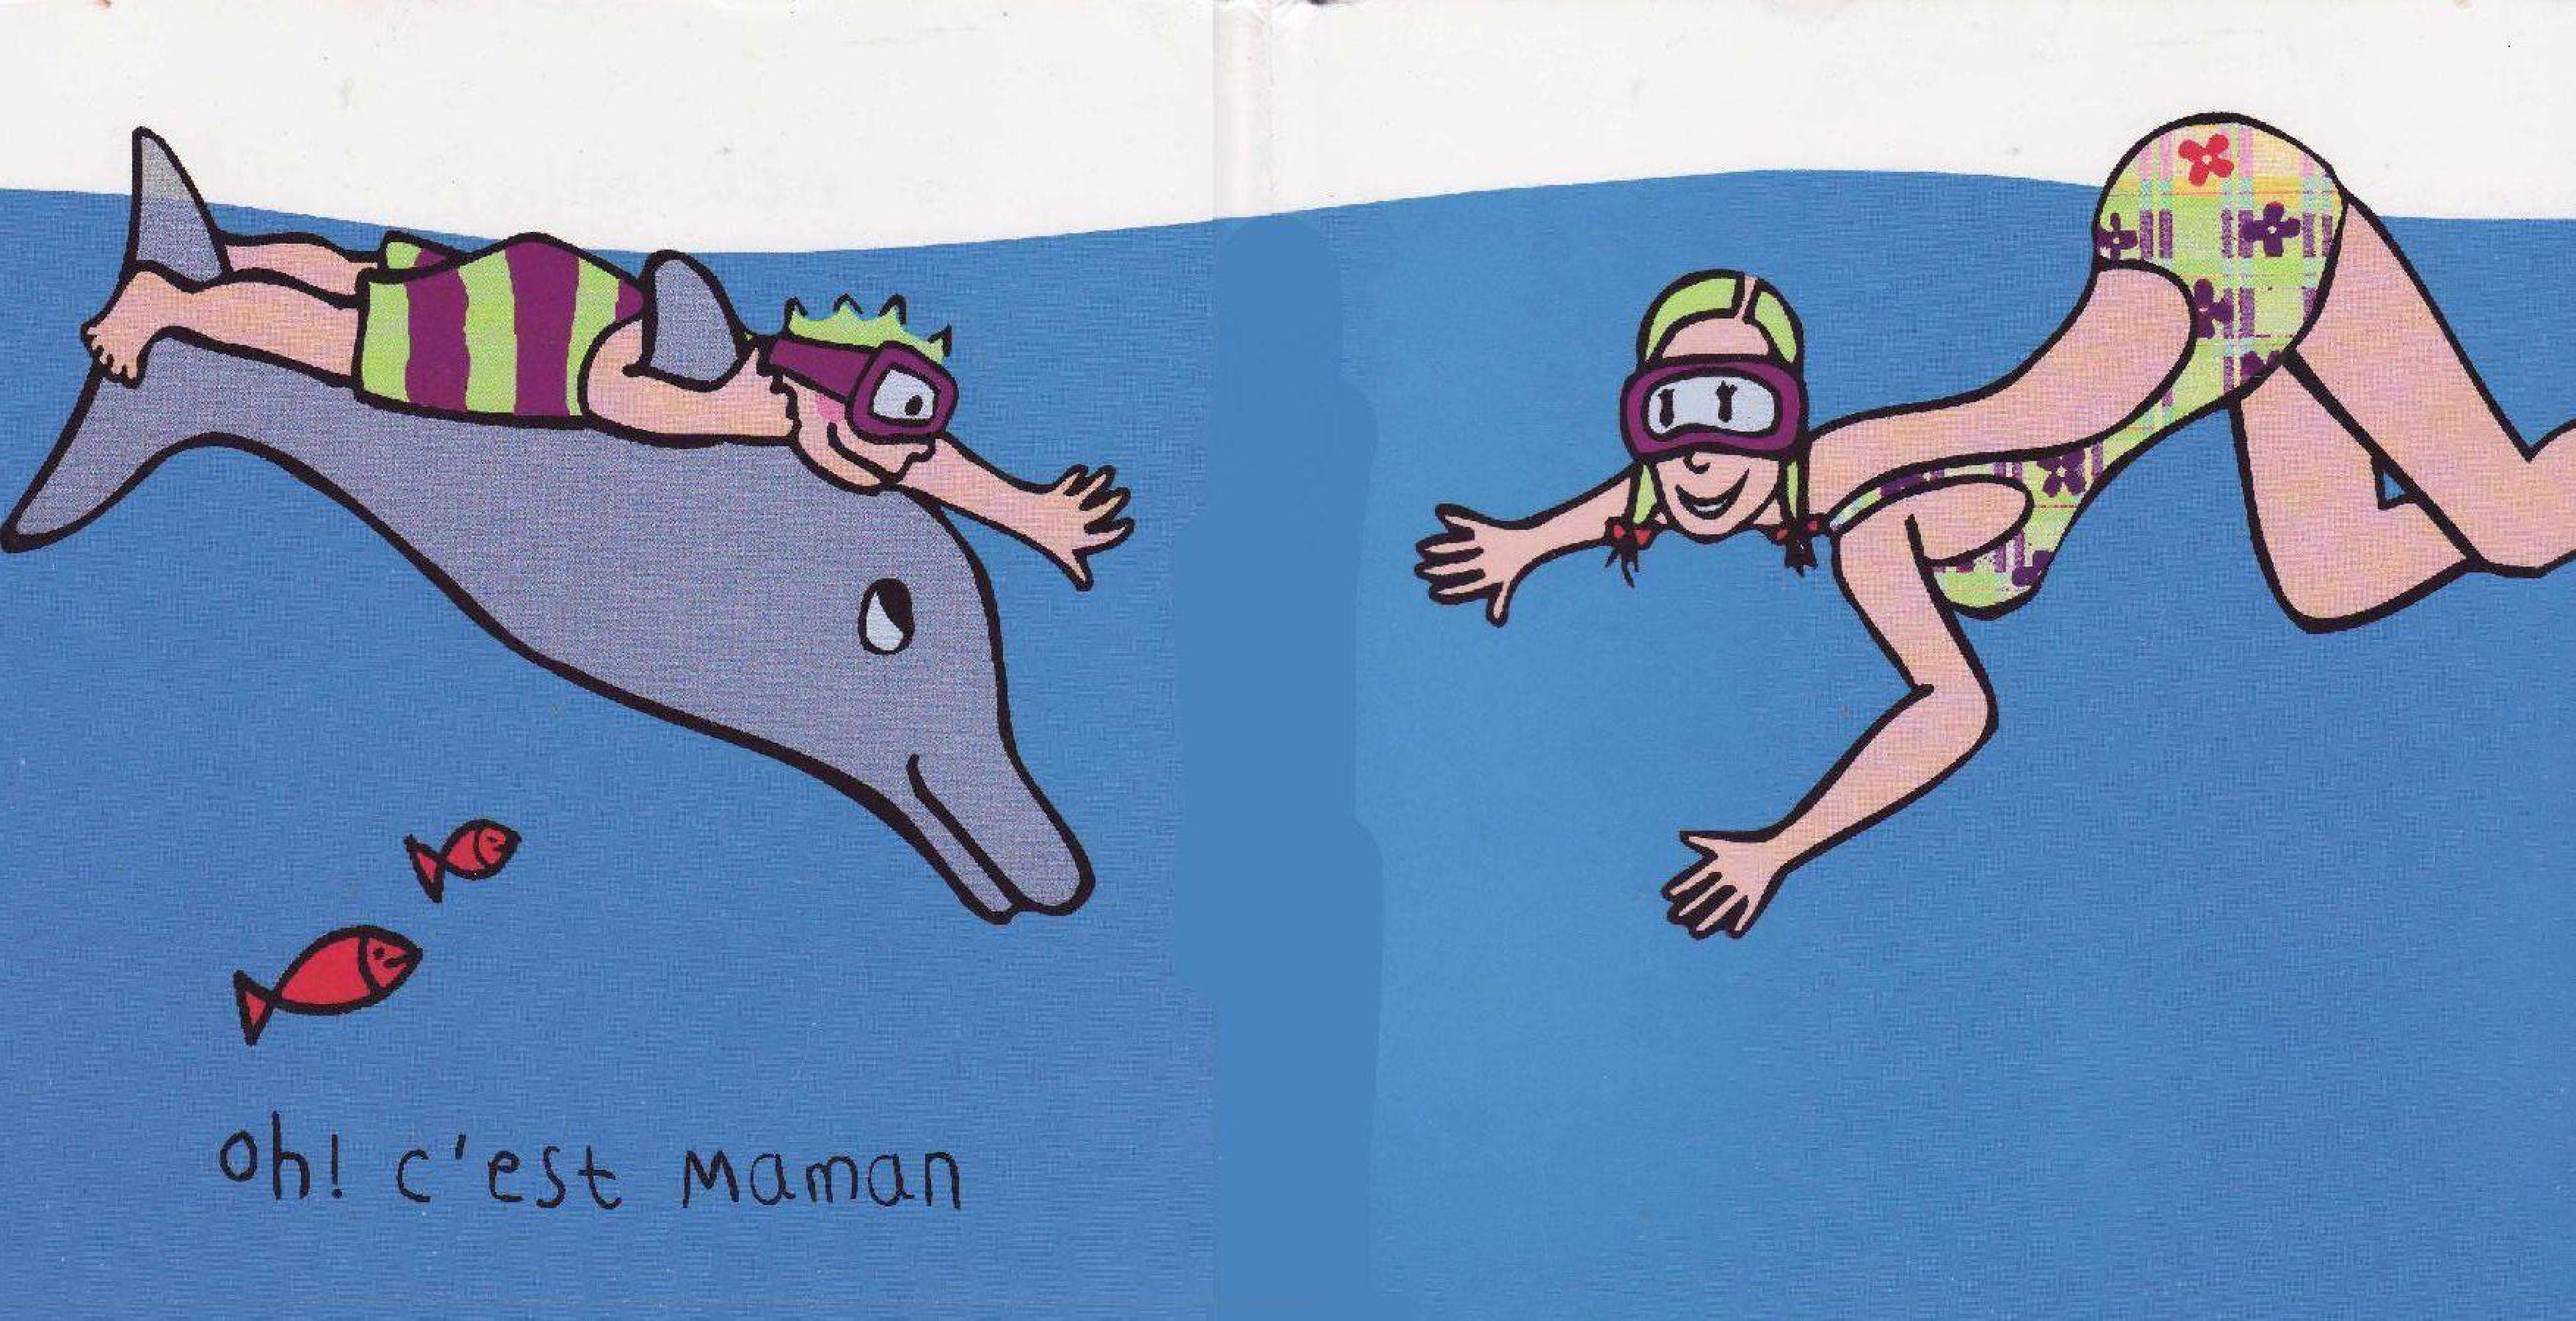


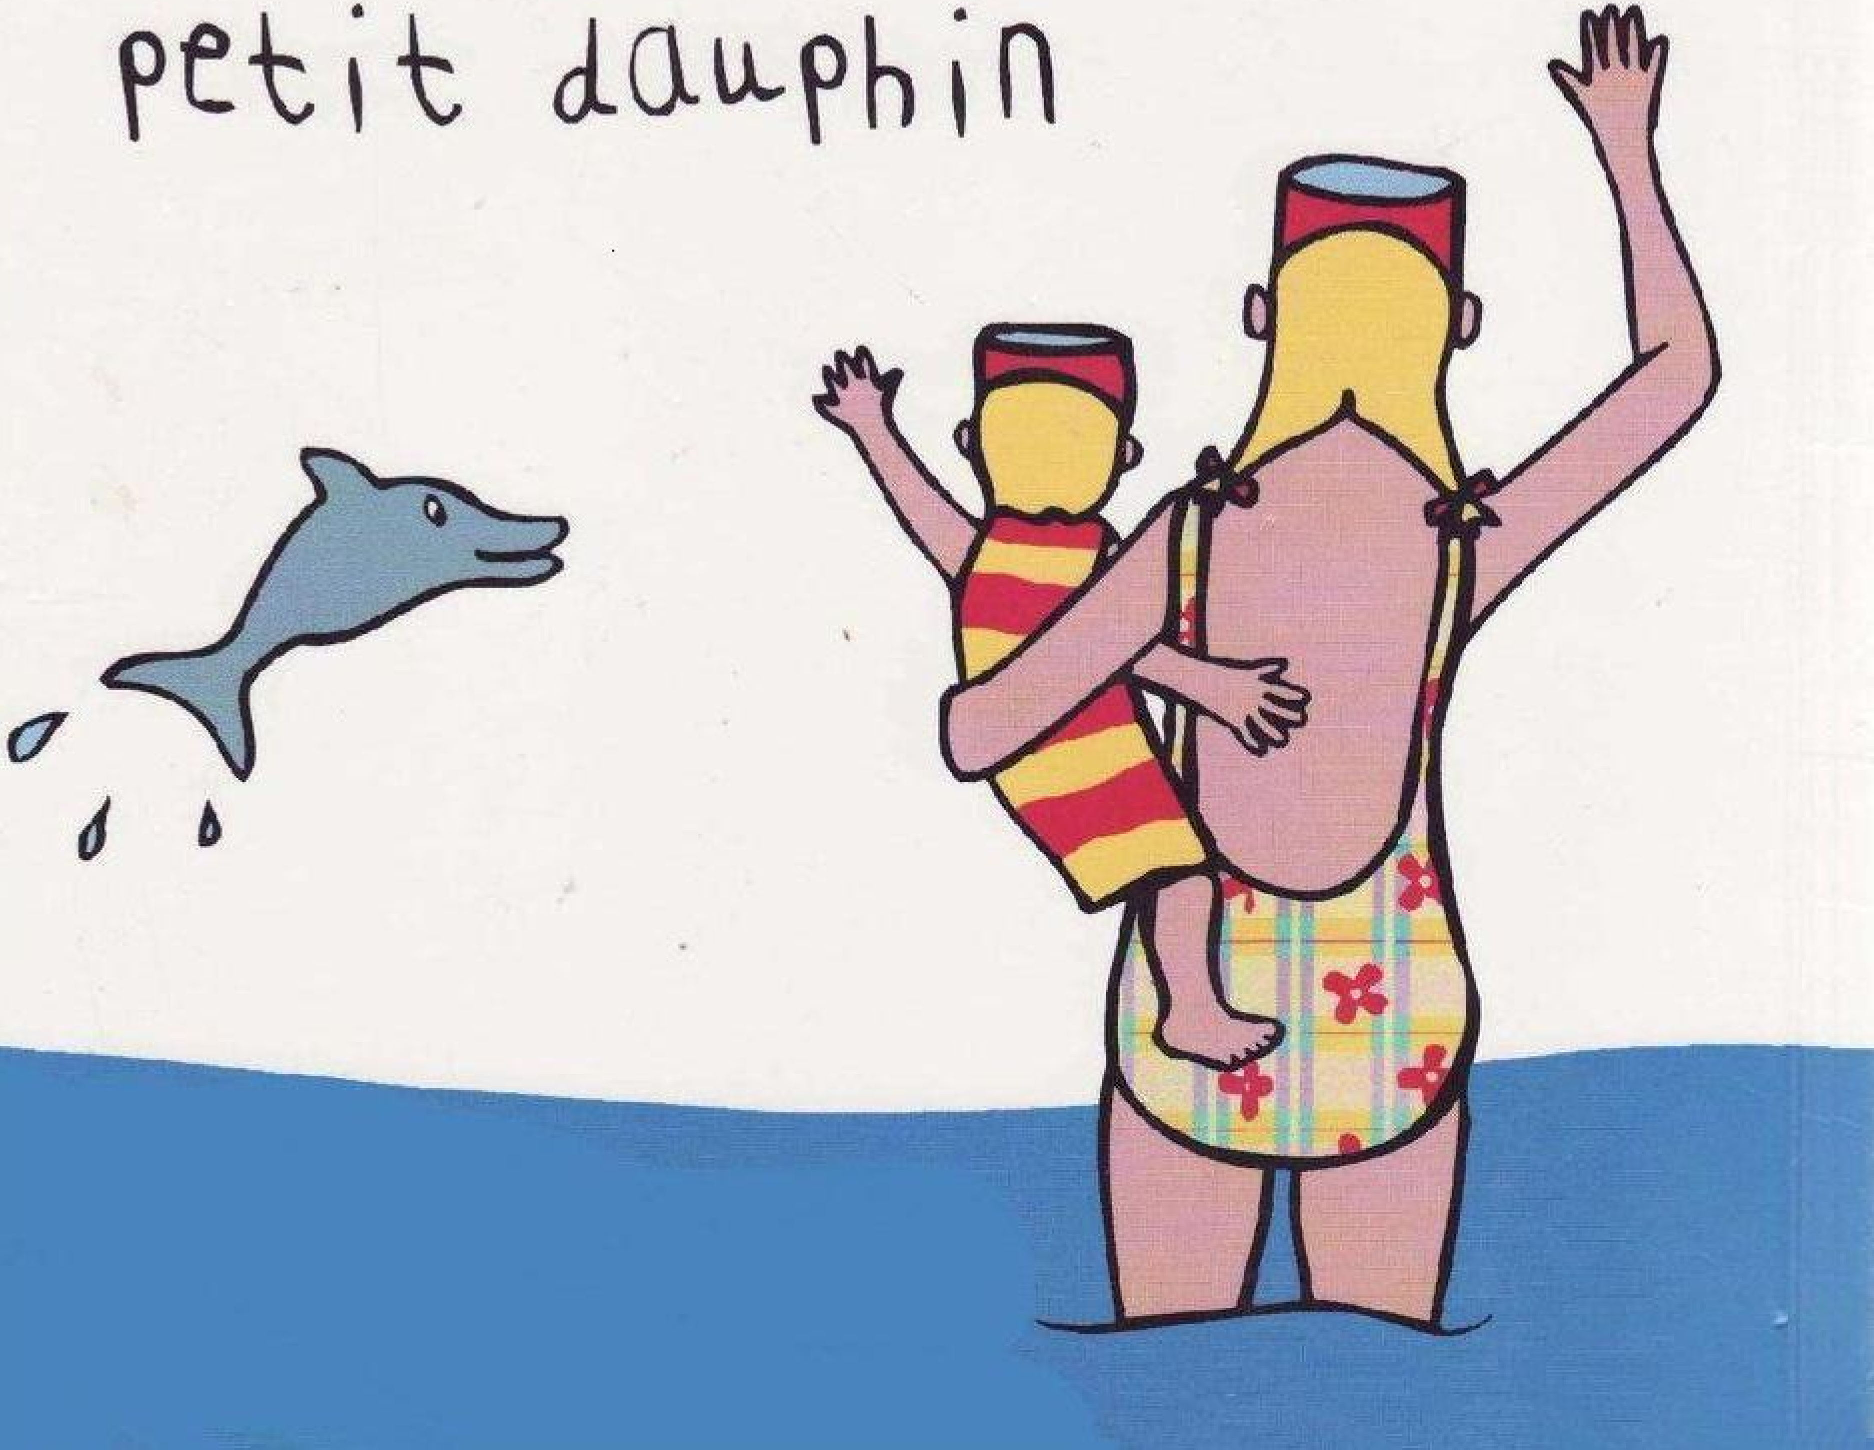
emmène-moi là-bas



au rocher
de toutes les couleurs





oh! c'est Maman


au revoir
petit dauphin
